

ONLINE FAMILY CARER COMMUNITY

AUGUST'S MEETING

- **Recent changes to the OFCC group** - a member was concerned about the future of the group and what the reduction in time meant for the security of this group. Explanation given as to why the session time has been reduced, Minstead's ongoing commitment to continue providing this group for carers, and the business perspective – i.e. the group needs to grow and time needs to be spent into hopefully expanding the group to increase numbers attending.
- **Individual situations** - Discussed issues related to member's individual situations as parent carers.
- **Resources signposted** – Discussed new point of contact for parent carers and the possibility of them working with their daughter.
- **Raising safeguarding issues** - Discussed how families raise safeguarding issues, how they are supported, and if they know how to follow the necessary processes.
